Comments WS-9-10-11-17-18 HV CWCM QAPP.docx

Hi Rob,

Here are EPA's comments on the above-referenced information. As we discussed, we anticipate receiving a full, revised QAPP by the end of the month so that the initial round of sampling can be conducted early this summer. If you would like to set up a conference call to discuss these comments prior to submitting the QAPP, please let me know.

Let me know if you have any questions.

Thanks,  
Stephanie
